

In 2010, the Lumberjack Challenge will be returning to Corner Brook. This year's event will be held July 24, 2010 on the front lawn of First United Church on West St. during the East Meets West Expo. The Lumberjack Challenge is organized by the Model Forest of Newfoundland and Labrador with support from the Model Forest Partnership.

Individuals from across Newfoundland and Labrador are encouraged to compete. The teams of three, which consist of "Jacks" and "Jills", will then compete in several traditional Lumberjack challenges. These challenges include Cross cut, Buck saw, Run/Cut/Split, Dry Log Roll, Hot Saw, Stock Saw, and the Cookie Cut. There will be \$1500 in cash prizes awarded at the event!!!

The competition is limited to the first thirty (30) competitors, (10 teams), that register. The deadline for registration to this event is July 9, 2010.

There are opportunities for businesses or organizations to sponsor the Lumberjack Challenge or individual competitions within the event. Contact the Model Forest Office, Michael Moulton, event coordinator if you would like to receive a benefit package providing further details on the partnership opportunities available to your company.
